

## SOJI™ STELLA DREAM SOLAR LANTERNS

A fun and interactive way to teach kids about the efficiency of solar power, each lantern is hand-punched with elephant and star shapes that cast friendly shadows. Charge by the sun during the day and bring inside to use as a comforting nightlight! Made from durable, washable and recyclable Tyvek™. Includes stainless steel hanging handle, solar panel, built-in light sensor, one AAA rechargeable battery, and a dual white LED light.
