

SOJI™ STELLA MARKET SOLAR LANTERNS

Inspired by ornately detailed lanterns found in the Far East, the Soji™ Stella Market lantern is bold, beautiful, and sophisticated. Created from ultra-durable Tyvek® and punched with an intricate diamond pattern, this lantern will turn itself on at dusk to cast captivating patterns of light each night. Lantern includes stainless steel hanging handle, solar panel, built-in light sensor, one AAA rechargeable battery, and dual white LED light.
